

GDPR Next Steps

Date:

Apr 25, 2019 9:30 - 12:30

Course Duration:

½ day (9.30 - 12.30)

Venue:

Dennett House, 11 Middle Street, Taunton, Somerset, TA1 1SH - this course can also be delivered on an in-house basis

Description:

This event provides an overview of the considerations and knowledge relating to GDPR.

Aim:

This ½ day workshop provides CPD for those managing data and a structured opportunity to take stock of your organisation's progress.

Content:

GDPR is an ongoing process and being GDPR-compliant enables organisations:

- to leverage information to support new product launches or service innovation without the fear that appropriate consents have not been obtained
- guards against the reputational damage caused by the mismanagement of personal information or by compromised data privacy. new product launches or service innovation without the fear that appropriate consents have not been obtained
- guards against the reputational damage caused by the mismanagement of personal information or by compromised data privacy.
